

**Step 1:** Login or Register to Emirates Islamic Online Banking

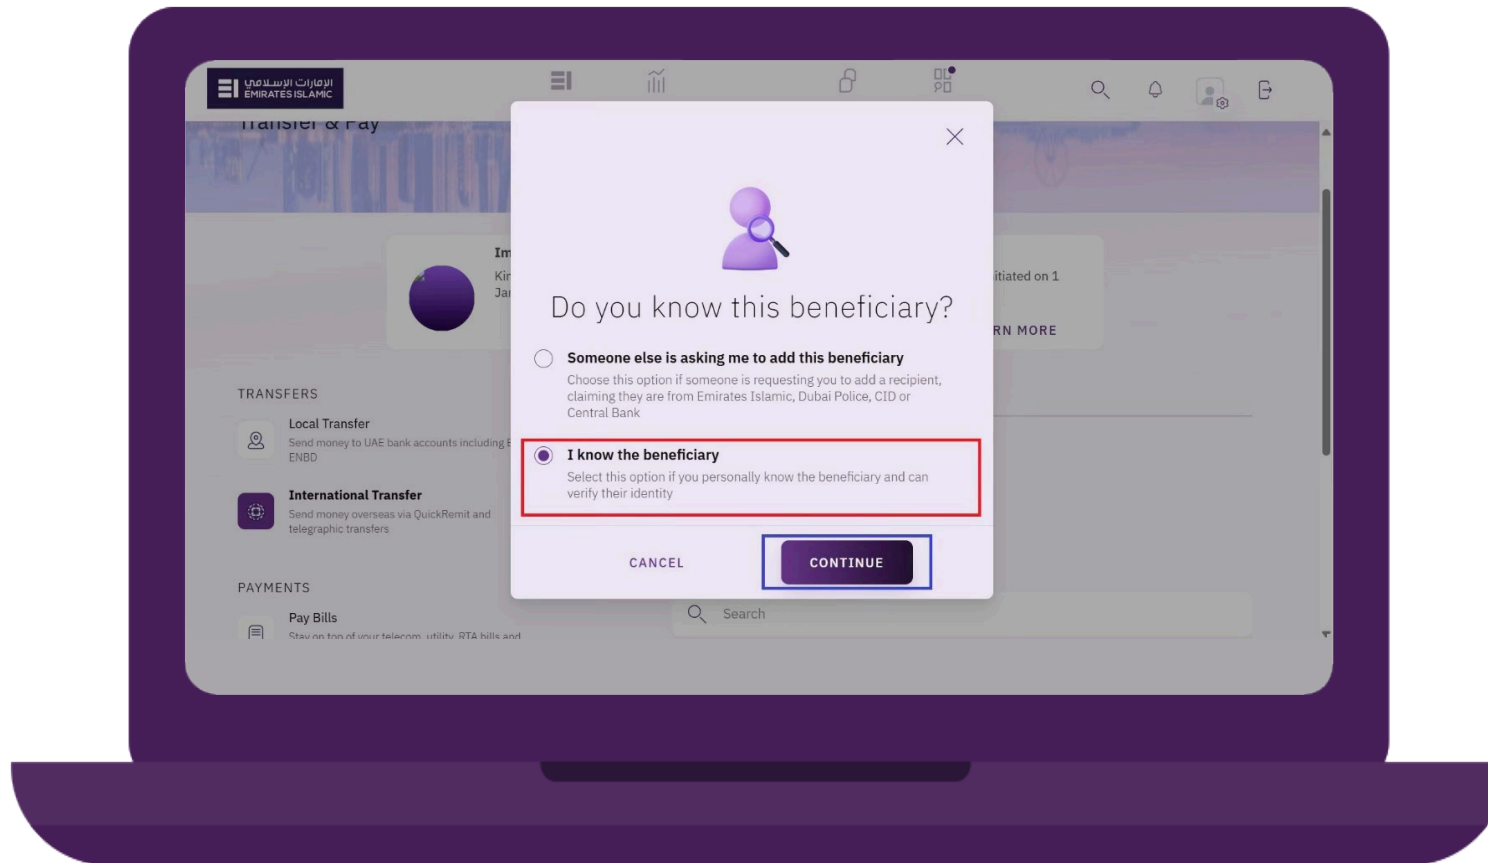

**Step 2:** Click on "Transfer and Pay"

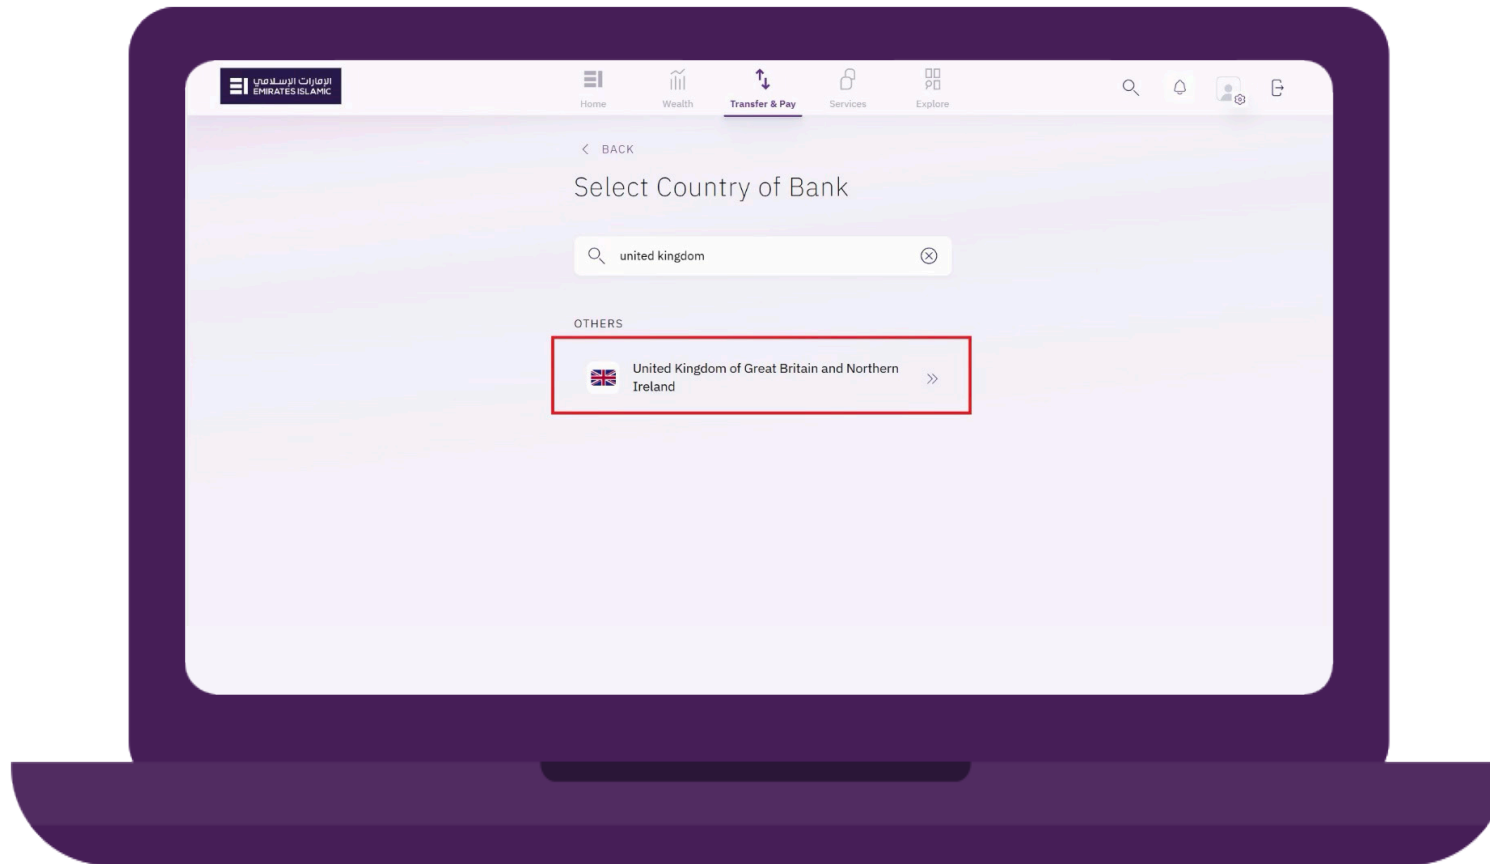

**Step 3:** Select "International Transfers"

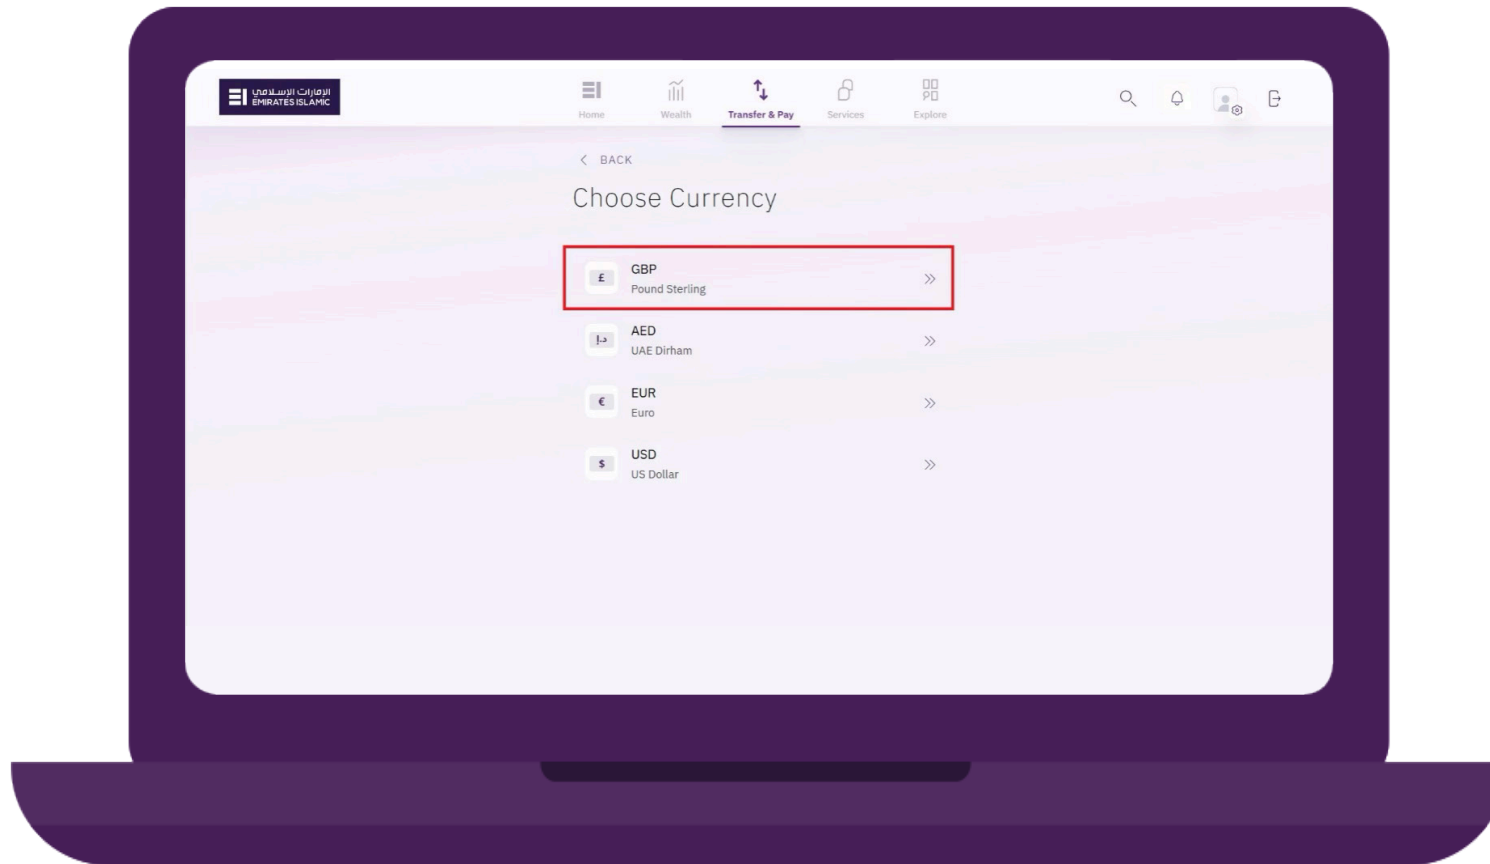

**Step 4:** Click on “Add New Beneficiary” for adding a new beneficiary, else please select “Existing Beneficiary” from the list.

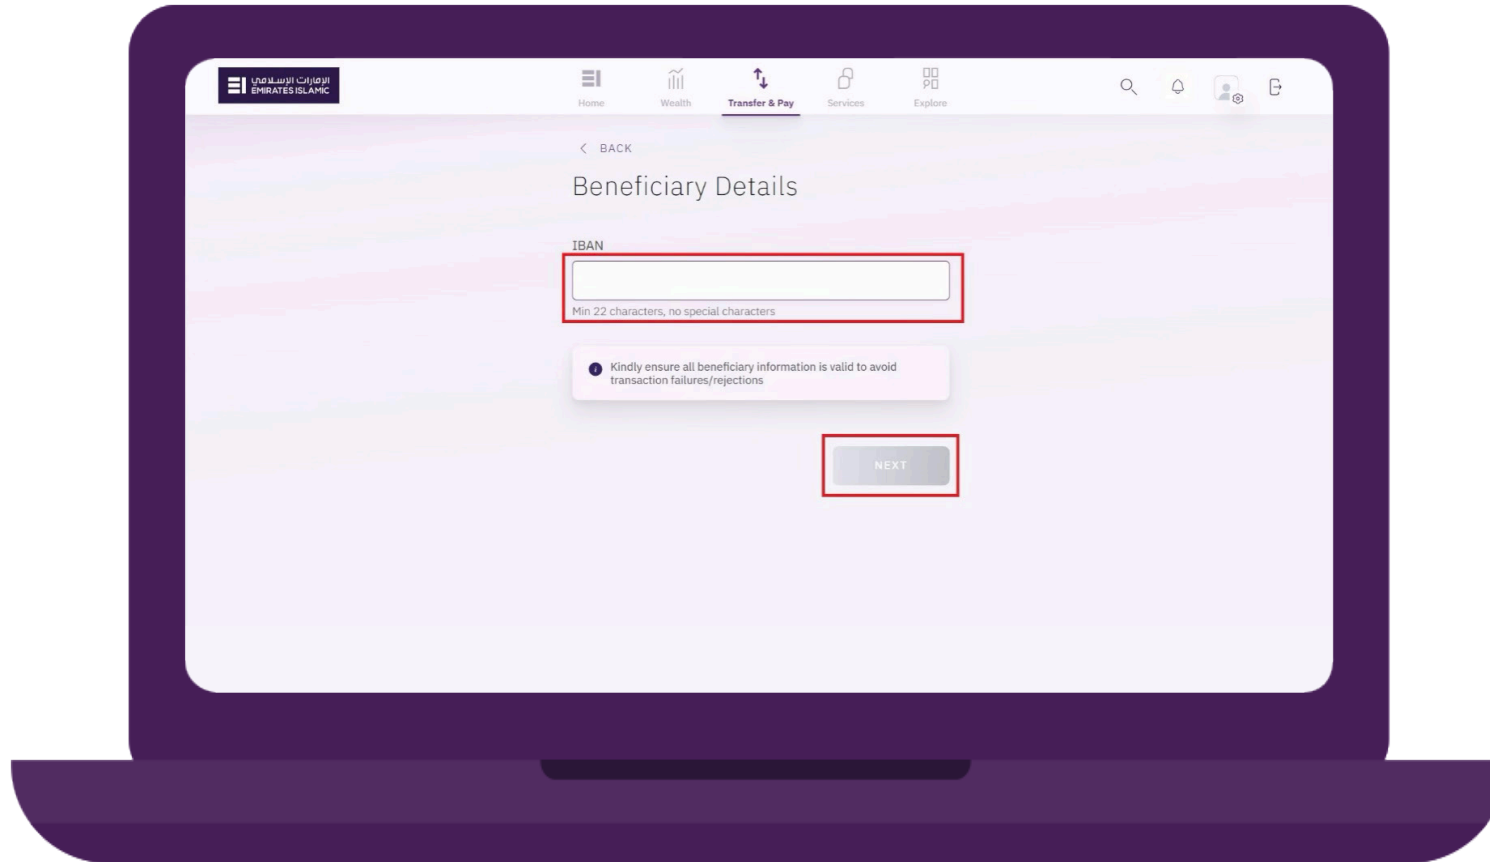

**Step 5:** Select the highlighted option if you know the beneficiary and then click "Continue"

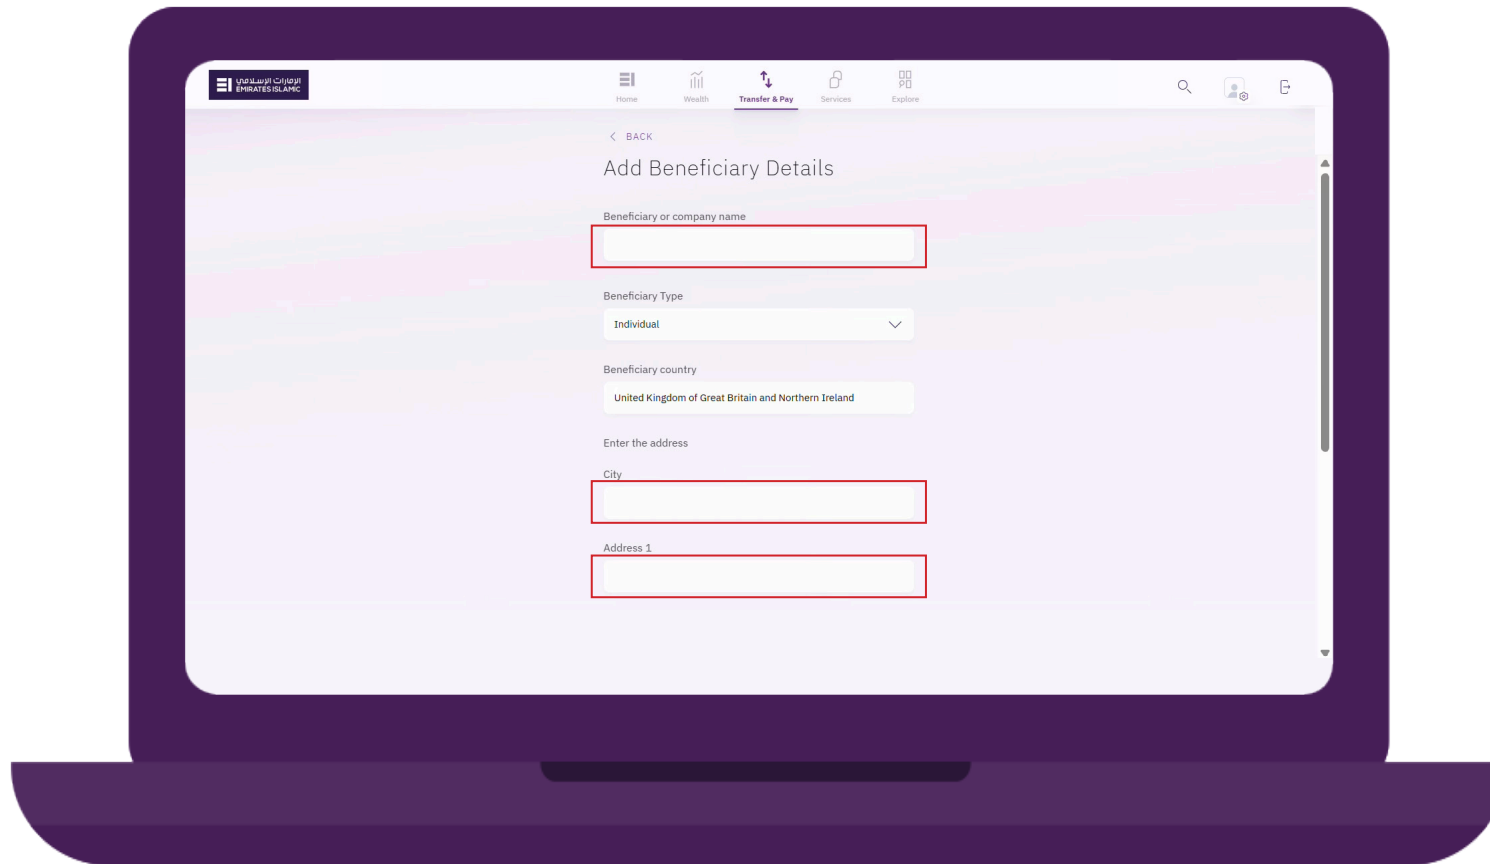

**Step 6:** Select or search the country you want to transfer to

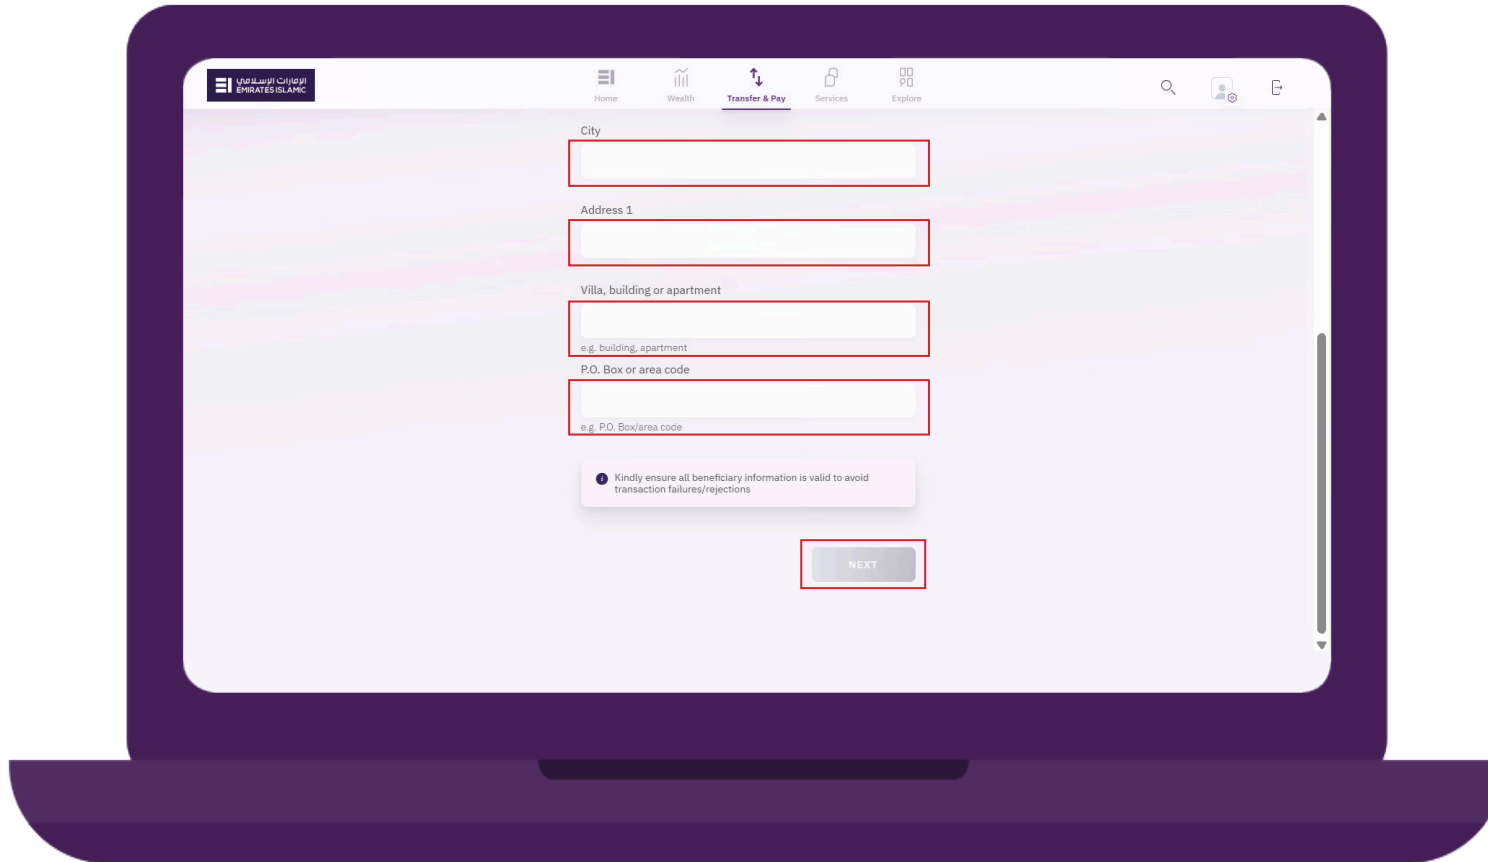

**Step 7:** Select the currency of transfer

**Step 8:** Enter the required beneficiary IBAN Details and click "Next"

**Step 9:** Enter the beneficiary's name along with the address and click "Next"

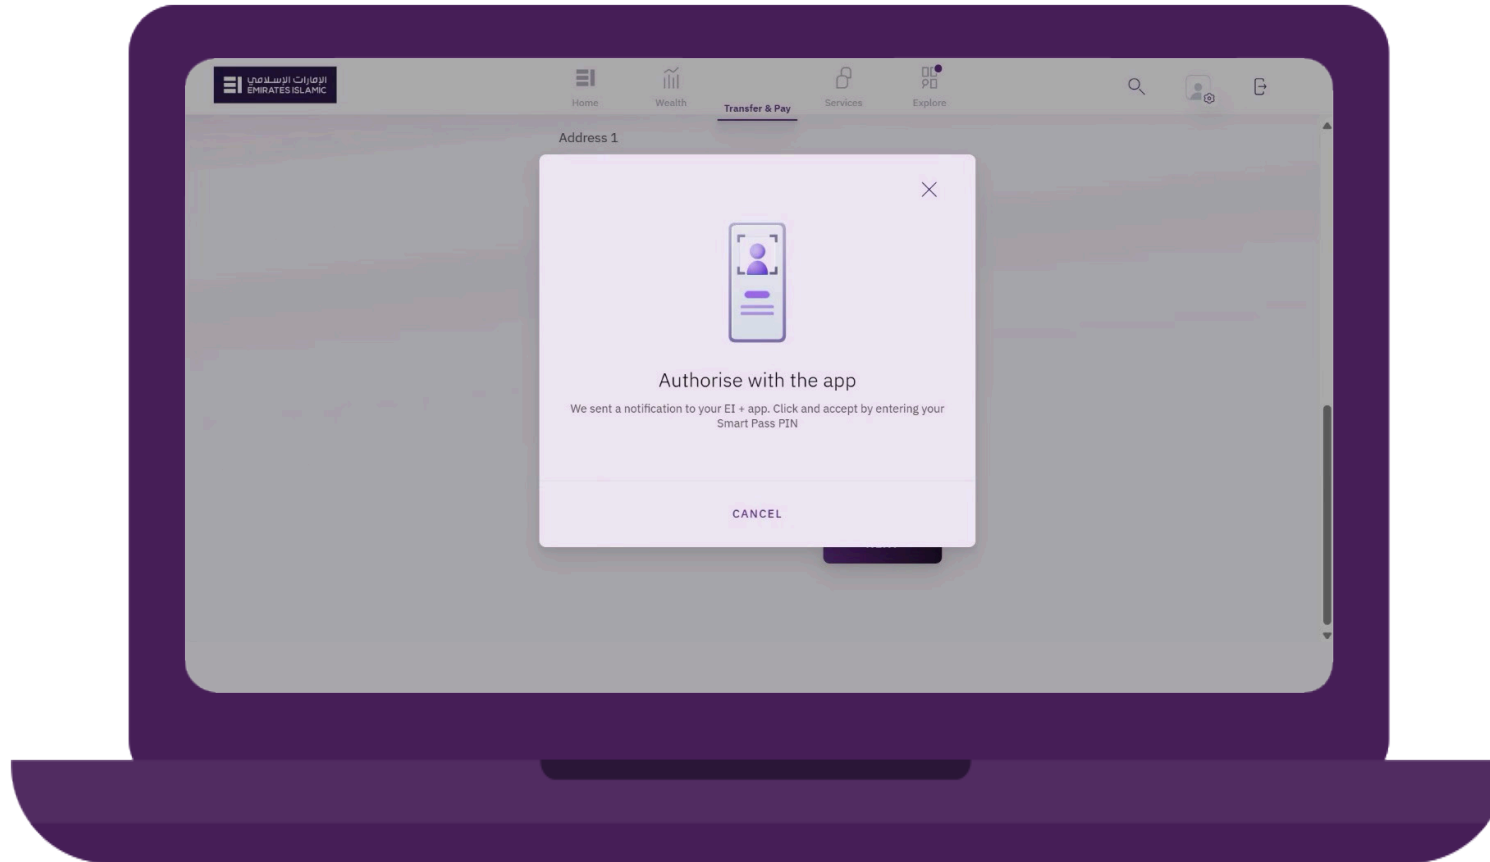

The screenshot displays the 'Transfer & Pay' section of the Emirates Islamic website. The form contains the following fields:

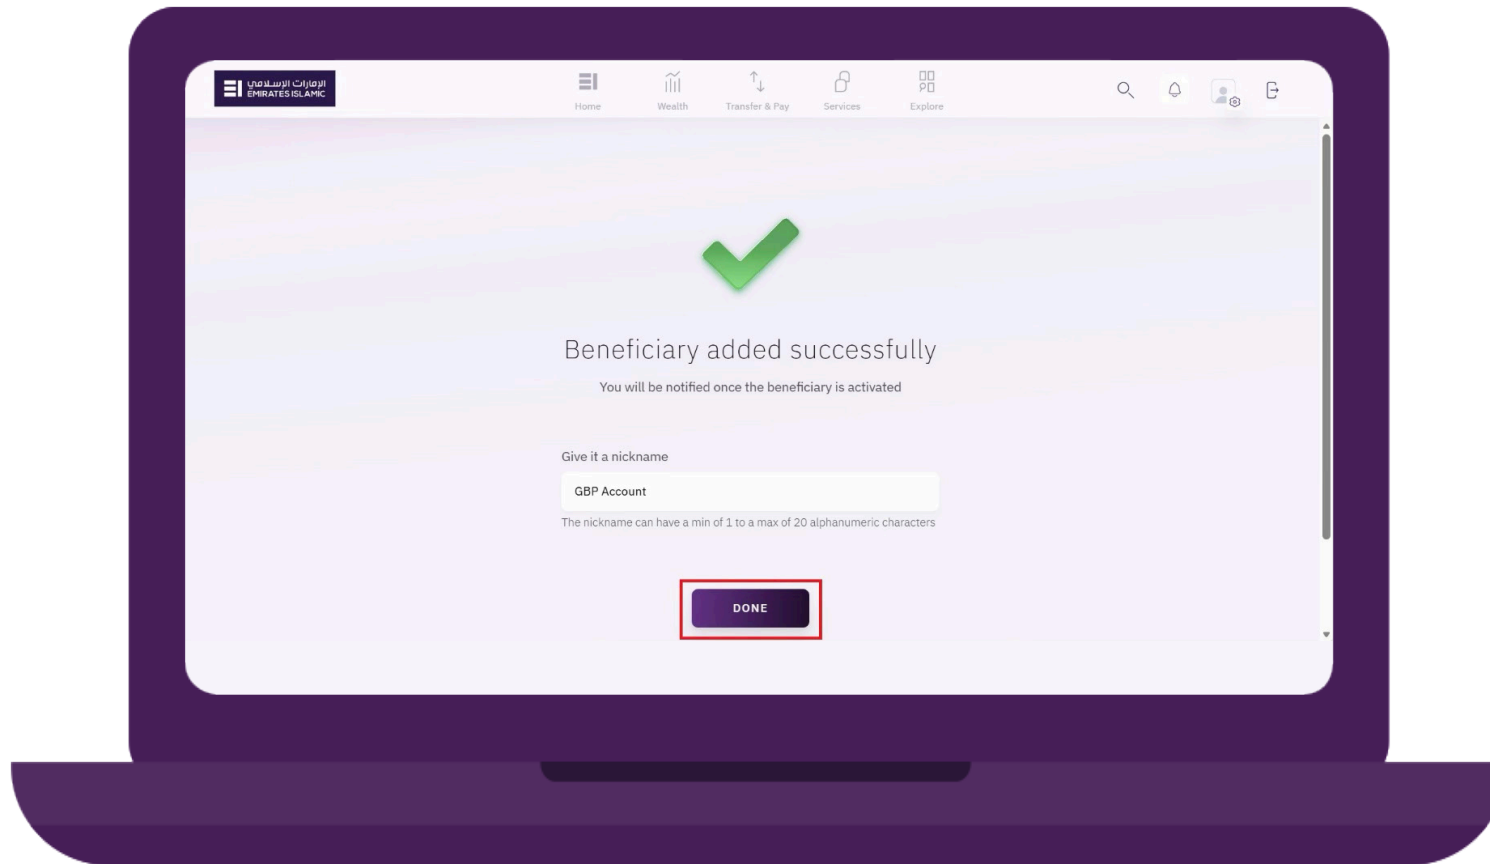

- City
- Address 1
- Villa, building or apartment  
e.g. building, apartment
- P.O. Box or area code  
e.g. P.O. Box/area code

A notification box below the fields states: "Kindly ensure all beneficiary information is valid to avoid transaction failures/rejections". A "NEXT" button is located at the bottom right of the form.

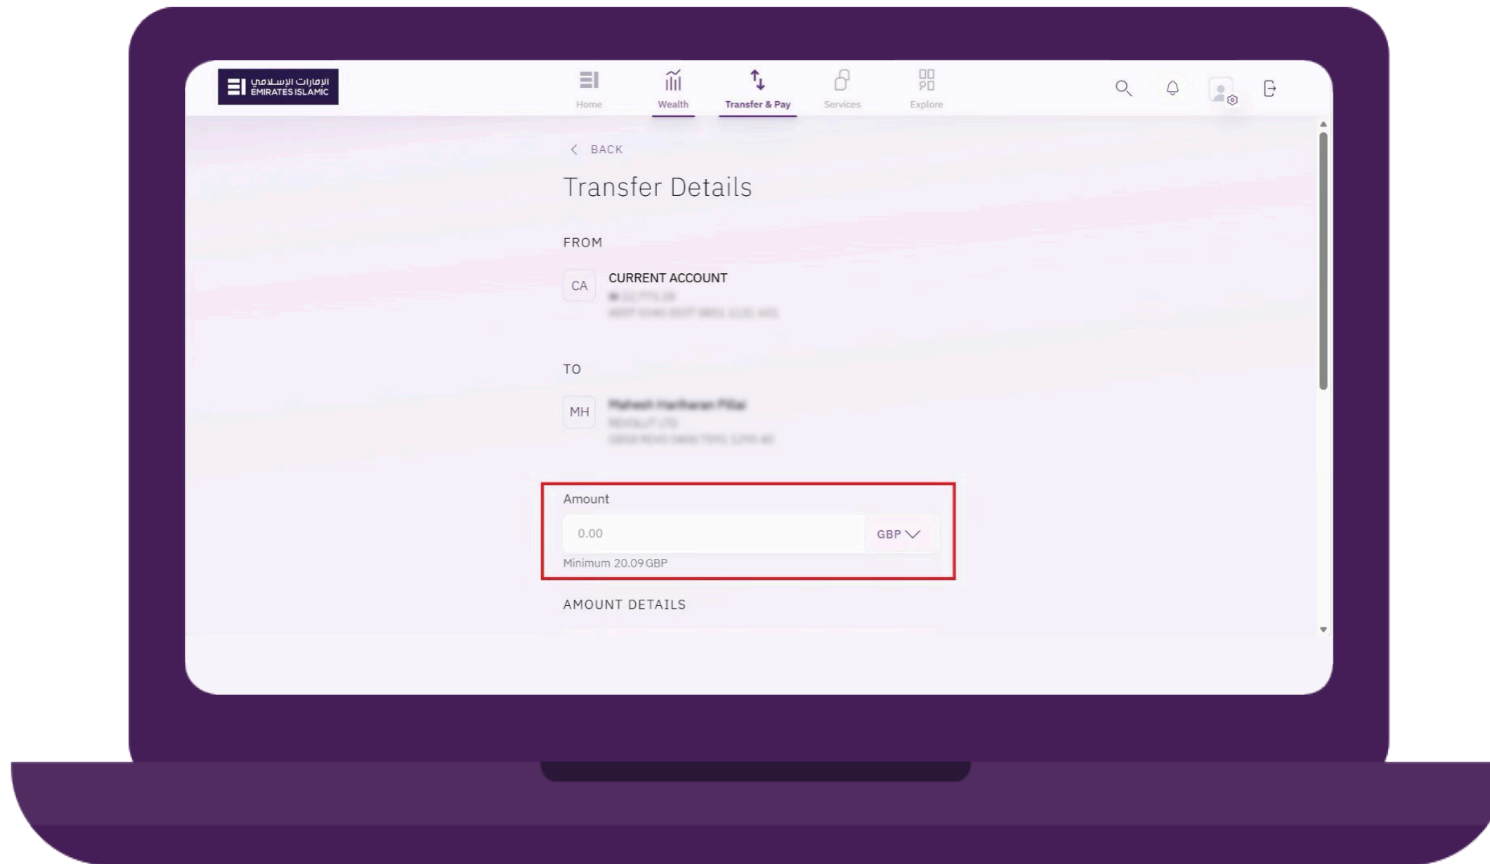

**Step 9:** Enter the beneficiary's name along with the address and click "Next"

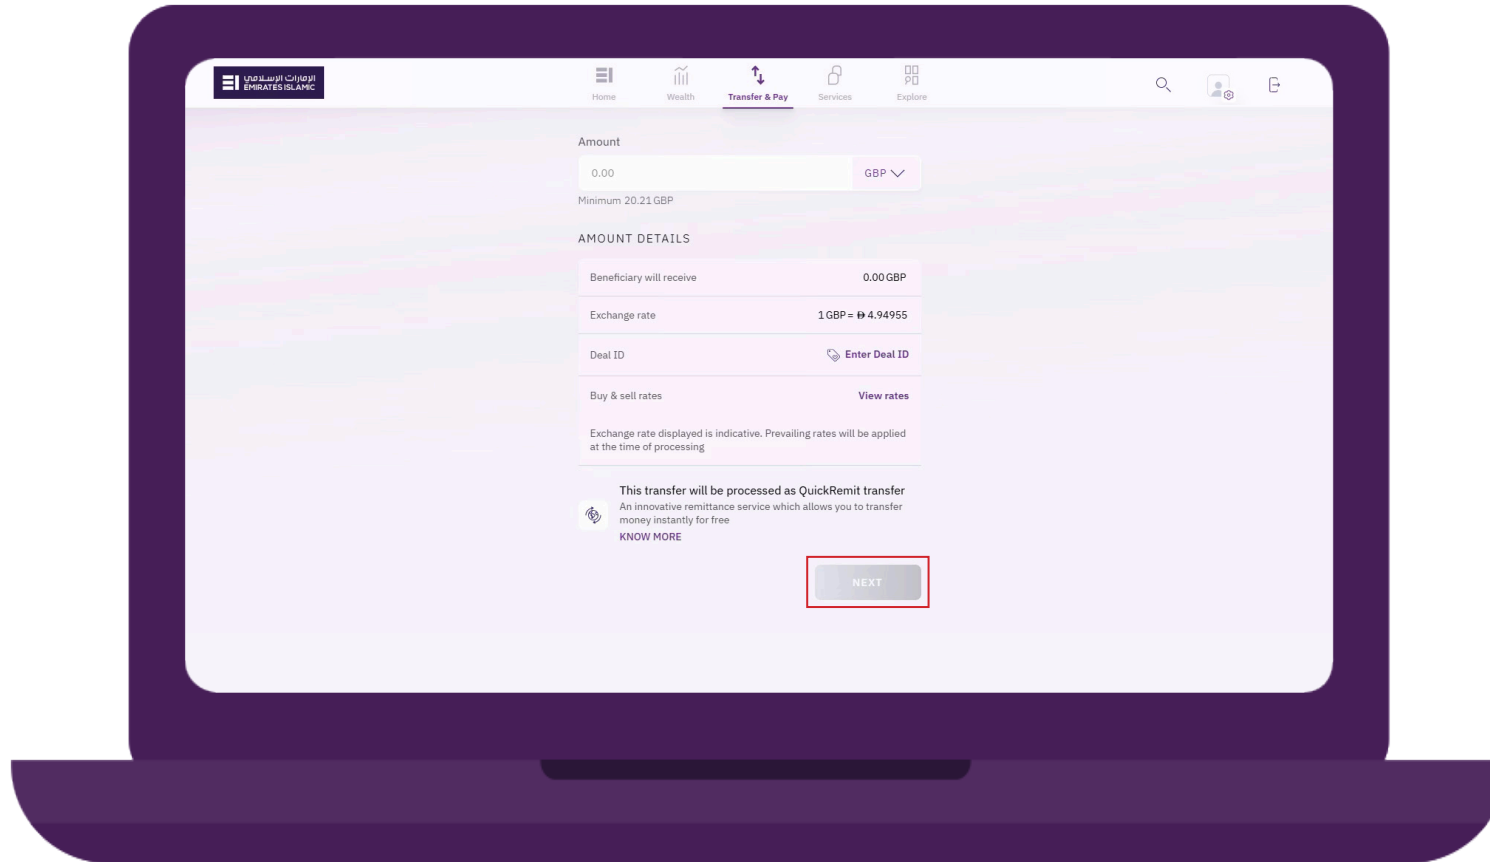

**Step 10:** Please authorize the notification on your EI + Mobile Banking App

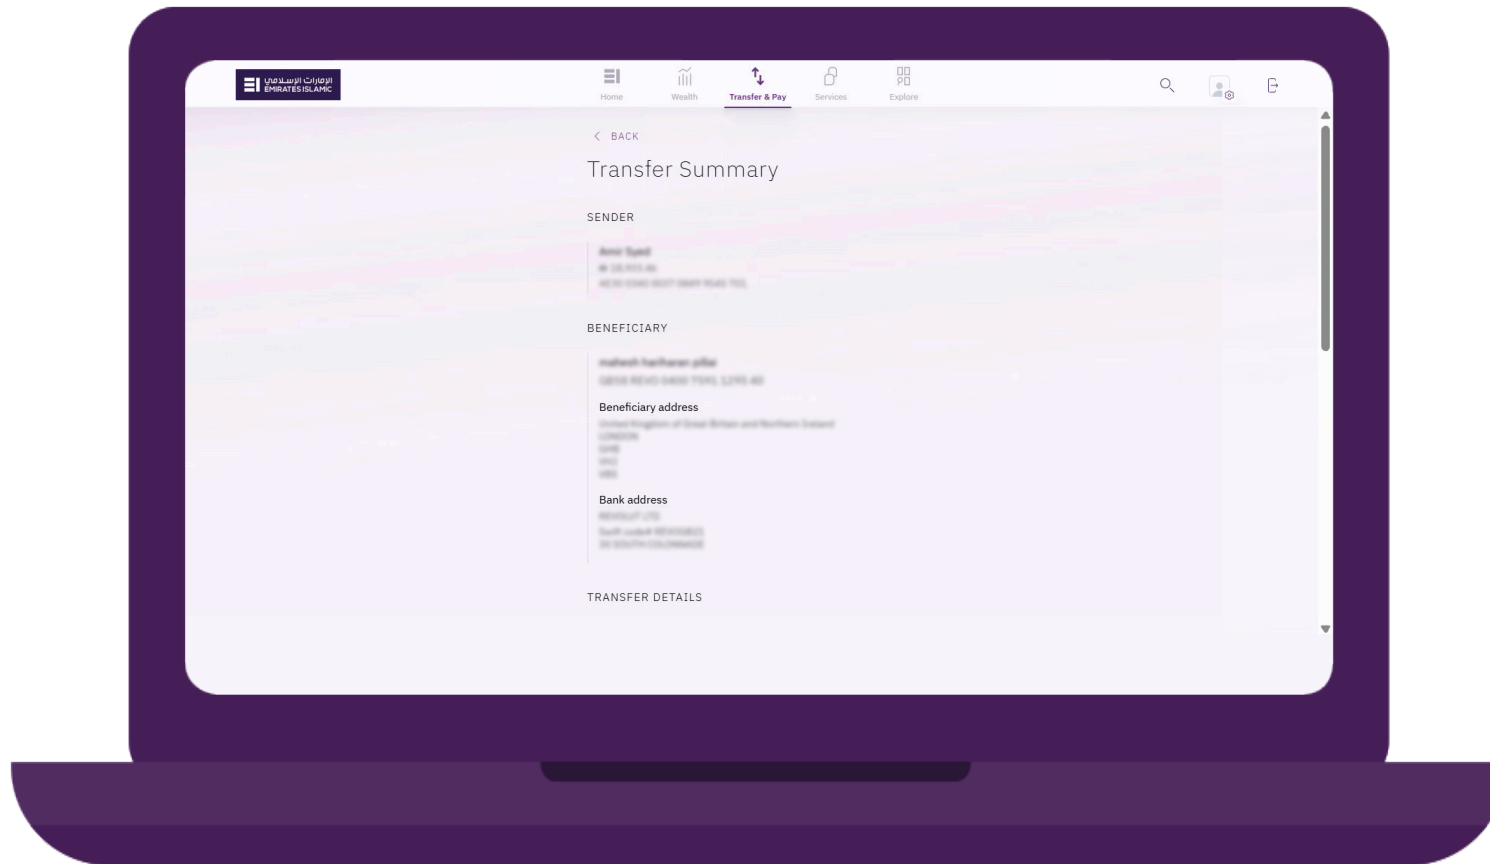

**Step 11:** Give a Nickname for the beneficiary added and click “Done”.  
This will ensure easy access to the added beneficiary in the future.

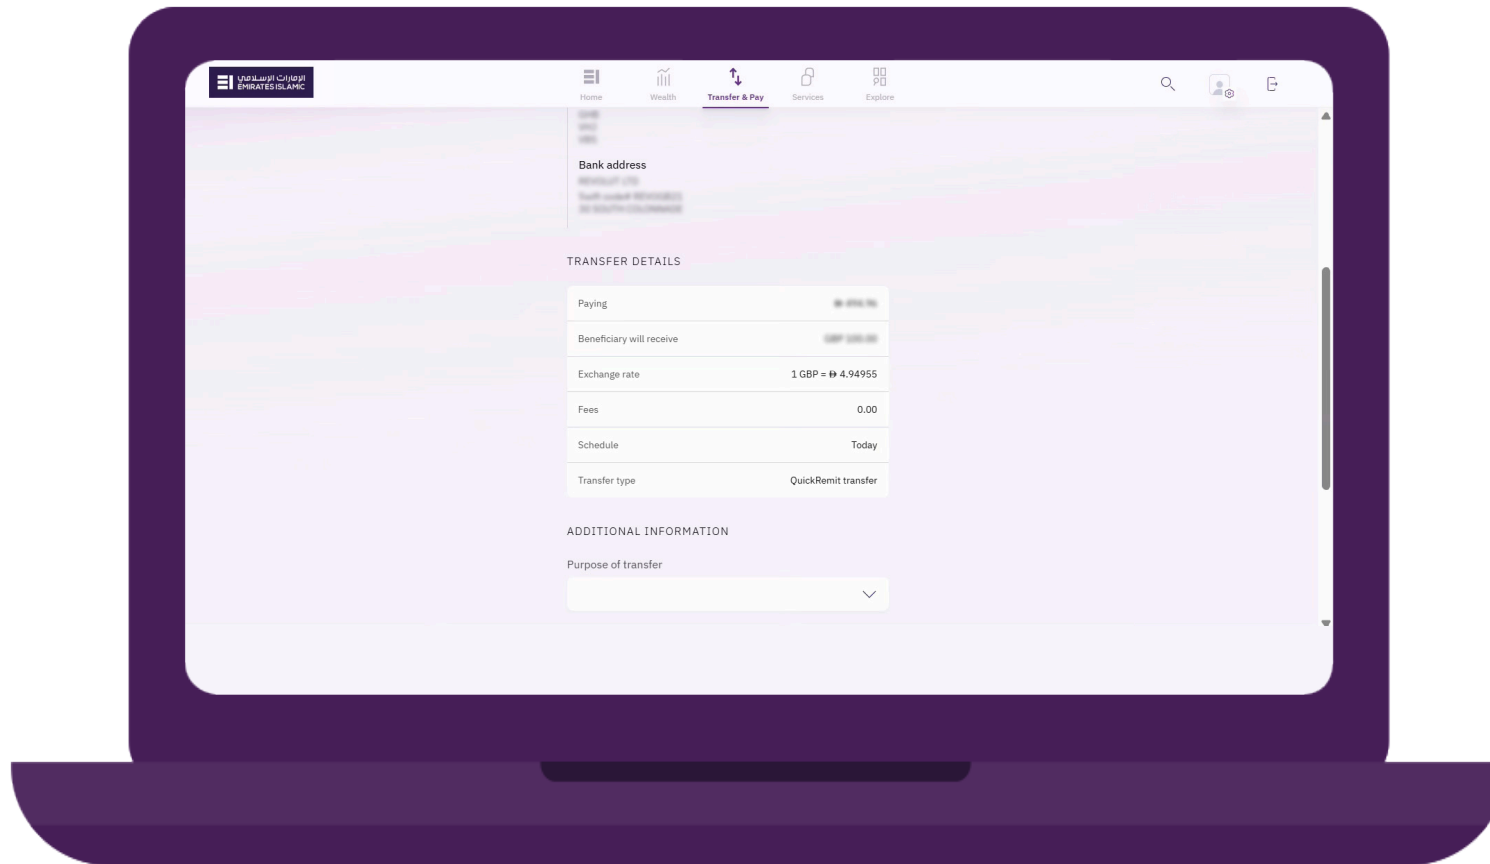

**Step 12:** Select the Beneficiary and enter the transfer amount in GBP and click “Next”

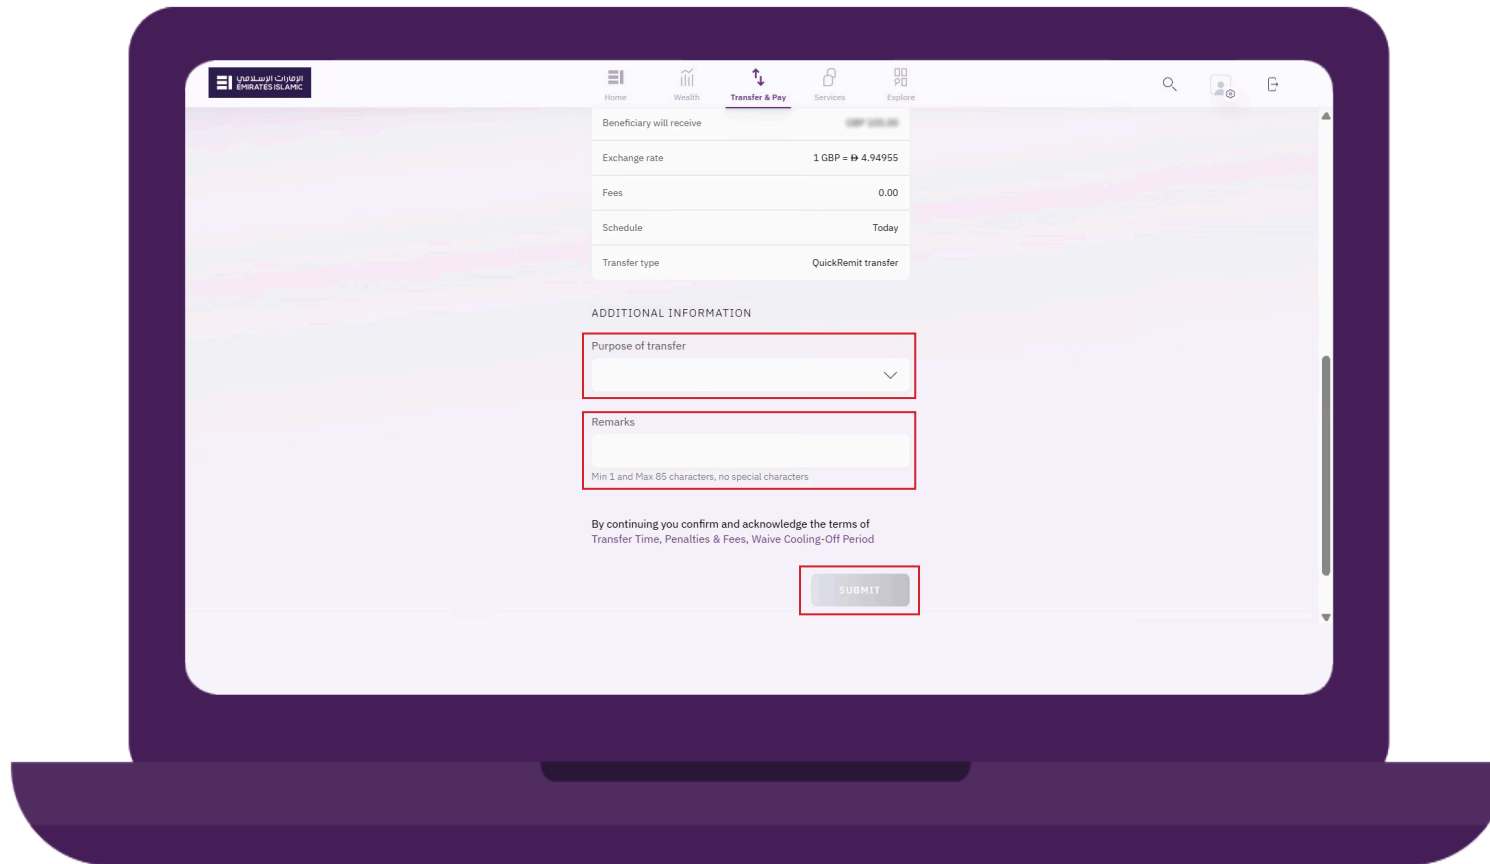

**Step 12:** Select the Beneficiary and enter the transfer amount in GBP and click “Next”

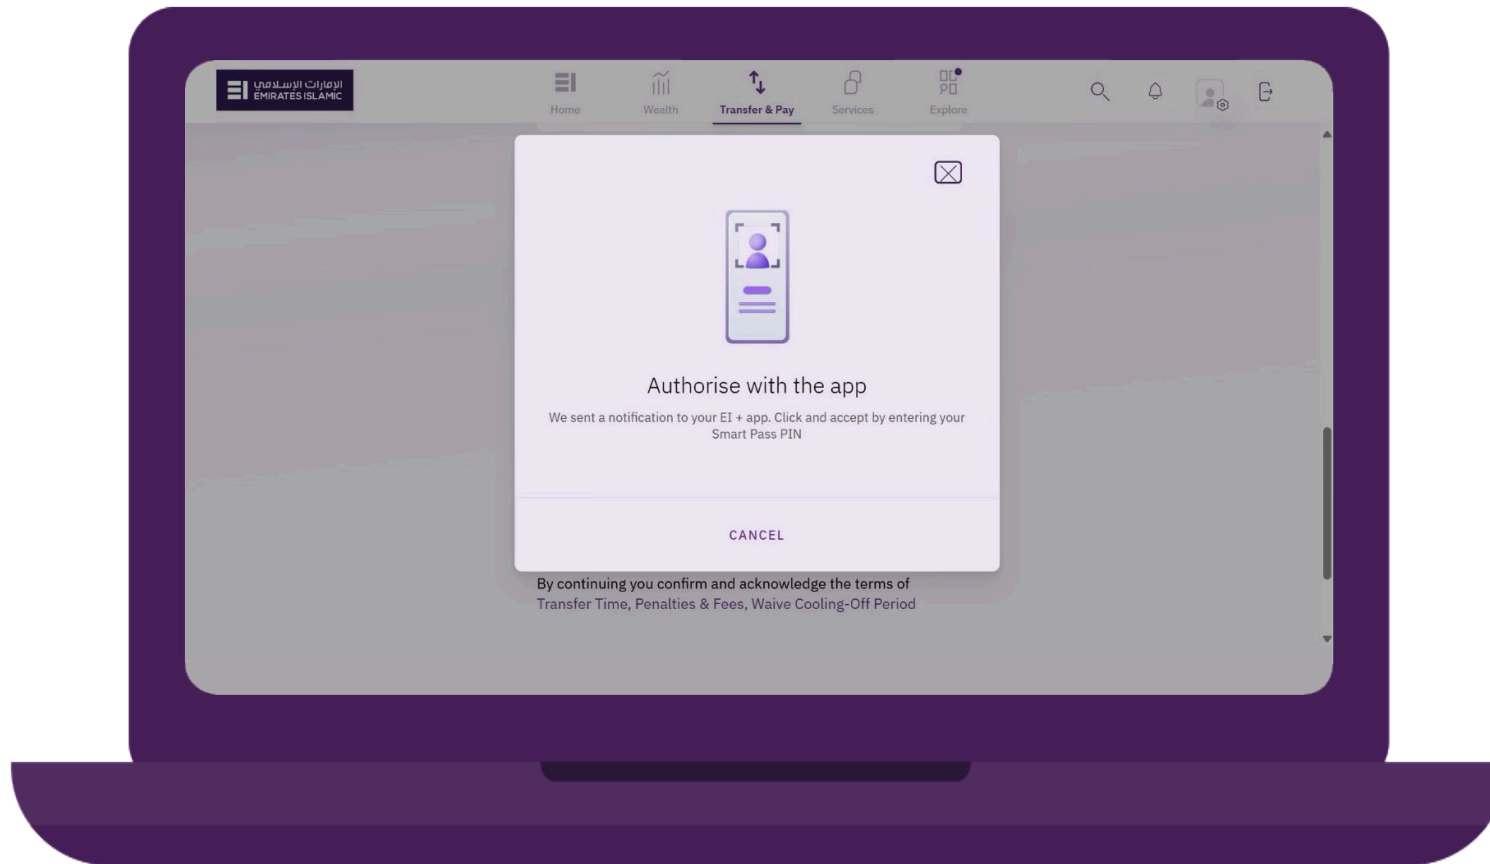

**Step 13:** Enter the “**Purpose Code**” and “**Remarks**” and click on “**Submit**”. This screen also shows the exchange rate and the amount the beneficiary will receive.
